

Topic/Title:

Keywords/Questions:

Unordered List

```
<ul>
  <li></li>
</ul>
```

Ordered List

```
<ol>
  <li></li>
</ol>
```

Anchor Elements

```
<a>
</a>
```

Adding images

Notes:

```
<ul> <li></li> </ul> - Creates bullet points on a list. All items in the list need the list
item tag
```

```
<ol> </ol> - Creates a numbered list
```

Used when creating a link

```
<tag attribute=value anotherattribute = value>Content</tag>
```

```
<a href="https://www.google.com">This is a link to Google</a>
```

```
<a draggable=true This is a link to google</a>
```

```

```
